

# CELEBRATE LIFE

## DEAR ON WITH LIFE SUPPORTER,

Throughout the years, On With Life has worked relentlessly to build a dedicated program for those living with brain injury and other neurological conditions. Our founders began this journey many years ago based on the concept of hope, and it is an honor to be a part of this unique rehabilitation program and see the impact, first-hand, that it has on so many persons served and families. To celebrate the great strides made by our persons served and our program, the fifth annual fundraising and recognition event, Celebrate Life, is planned for Friday, September 27, 6 p.m. at the FFA Enrichment Center in Ankeny.

On With Life is on a lifelong mission to support the needs of those we serve, and we hope you will join us by sponsoring and/or attending the Celebrate Life event. Funds raised through Celebrate Life will enhance On With Life now and into the future through unrestricted support of innovative program development, specialized therapy equipment and healing environments.

As a not-for-profit organization, On With Life appreciates your investment to truly make a difference in the lives of so many Iowans living with a brain injury, stroke or other neurological condition, such as Parkinson's Disease. Because of the generosity of supporters like you, On With Life will continue to provide compassionate rehabilitation with the tools necessary to help persons living with brain injury get "On With Life."

Please review the enclosed sponsorship opportunities, and contact Sara Wilson with our Foundation at [sara.wilson@onwithlife.org](mailto:sara.wilson@onwithlife.org) or (515) 289-9611 with any questions. To be included on upcoming event materials, please respond by July 15.

We appreciate your consideration to make a difference at On With Life!

Thank you!
