

## Discover *a higher standard* of care.

With BrightStar Care®, your loved one's care from day one is supervised by a Registered Nurse. He or she can explain what's normal and what isn't, answer your questions and ensure that your loved one of any age gets the care that's right for them.

### **We offer services to meet a range of needs.**

From round-the-clock care to just a few hours a week, we create a plan of care that works for you and your budget. Our services include long-term care for special needs children, temporary help after surgery and much more.

### **Examples of skilled nursing care:**

- Medication administration
- Intravenous drug therapies
- Catheter and wound care

### **Examples of personal care:**

- Bathing, dressing, feeding, toileting
- Medication reminders
- Help with mobility in and outside the home

### **Examples of companion care:**

- Light housekeeping, laundry, grocery and meal prep
- Transportation to and from appointments or activities
- Time off for family caregiver

### **Experience *a higher standard* of care every step of the way.**

1. Receive a plan of care tailored to your loved one's needs.
2. Meet the caregiver we recommend based on personalities and compatibility.
3. Rest assured knowing that a BrightStar Care Registered Nurse conducts regular supervisory visits and that someone is always here for you 24/7.

We follow the nation's highest standards for patient safety as outlined by The Joint Commission—a widely recognized organization that evaluates the quality of hospitals and other health care systems.

**Call to schedule a free in-home assessment with a BrightStar Care nurse today.**
